9th September 2019	New term - 2nd year students in College from 10th September 2019

Other useful information

Request to change course

There will be a period of no change. This is so that students can really try and get to grips with their chosen courses and talk to their teachers about how they might learn to study the course. The period of no change will be from Monday 10th September to Friday 14th September 2019.

The period of change commences Monday 17th September and finishes 4pm Friday 19th October. There will be no changes after this period. This is because we believe it is in the students' best interest that they are committed to their courses after the October Half term which leaves them with a total of 66 teaching weeks to complete a full A Level.

In order to change a subject, students must make an online SPA appointment. We will not be able to accommodate any drop ins because of the volume and complexity of the work. Any changes are subject to availability and to timetabling.

It is important to remember that the college Admissions Policy states that it is Barton Peveril's expectation that students complete three A levels or equivalent qualifications.

Who to contact

In the first instance, always contact the student's tutor. You can find them on the "Parent Pages" and you will be sent the log-in details by post soon after the enrolment period. You will also find the contact details of the students Student Progress Advisor there. There are many other ways to contact the college, but the two main emails are;

studentservices@barton.ac.uk
enquiries@barton.ac.uk

Please note, there is a full and comprehensive Parent Guide on our website www.barton-peveril.ac.uk located in the *For Parents* section of *College Life*.
