

Barton Peveril
Sixth Form College

ELITE BASKETBALL PROGRAMME AT BARTON PEVERIL

An exciting programme designed to fulfil the basketball potential of students by promoting the highest standards of training, effort and competition alongside academic study.

It provides a unique chance to combine training and playing with full-time education. The college has forged a close relationship with Winchester City Royals Basketball Club to provide high levels of basketball development in and out of College.

How does it work?

Barton Peveril students have the opportunity to train and play throughout the week with a bespoke timetable built around their academic course choices. At college you can expect the following:

- Access to all academic courses available at Barton Peveril
- Coaching and support from a fully qualified and highly experienced coaching team
- Minimum 2 on-court skills/team training sessions per week
- Minimum 1 strength/conditioning session with a personalised fitness programme designed to help you peak for key competitions
- Weekly classroom and video analysis sessions
- 1-2 games per week in the ABL, national AoC competitions and Hampshire league/cup
- Opportunities to develop and qualify in all aspects of the game: coaching, refereeing, officiating
- Strong links with Winchester Royals Basketball Club with teams competing in the National League.

Who can join?

Any student (male or female) can apply to the programme. Preferred experience includes club involvement, county or national representation.

Who coaches the programme?

Paul Yeates (Head coach) has over 20 years of coaching experience National League and colleges; Jon Pickering (Men's coach) has 13 years experience coaching National League, BUCS and colleges; Dan File (Women's coach) has 15 years experience coaching in clubs, schools and colleges.

Achievements 2018/19

Women's Team – 3rd in Hampshire League

Men's Team – Hampshire Cup Semi-finalists
