ELITE FOOTBALL PROGRAMME AT BARTON PEVERIL

The Elite Football Centre is an exciting two year programme that gives promising young footballers the opportunity to develop their football skills whilst continuing in full-time education.

As well as joining a college with an outstanding reputation for excellent standards, teaching, learning and results - you'll train in a modern college campus with fantastic facilities.

How does Elite work?

Elite provides students with the opportunity to train twice a week and play in competitive matches on Wednesday afternoons at national, regional and local level. Students will receive specialist coaching from UEFA qualified football coaches. Alongside the football, students can study any range of qualifications at college, including A Levels and Vocational qualifications.

Who can join?

Any student can apply for a place on the Elite programme. Preferred football experience includes professional club involvement, county or district representation or a good club standard. Students must have a suitable level of fitness to take this course. Elite is not a stand-alone course and must be taken alongside a full-time programme of courses.

What qualifications do I gain as part of the Elite?

- Academic programme at Barton Peveril Sixth Form College (A Level or Vocational)
- FA Level 1 Coaching Badge
- Active iQ Level 2 Certificate in Fitness Instructing
