Chair

Mr Guy Ashton
Mr Andrew Jackman
Miss Debbie Knight
Mrs Karen Everett

The calendar of meetings is available on the Intranet and is incorporated in the College Calendar.

Governors' visits to College

The Governor Visiting Scheme provides opportunities throughout the year for Governors to extend their experience of College life. Bespoke visits can be arranged on request but Governor daytime visits into College are regularly held in November over a period of a week and are arranged to include a visit to departmental meetings.

Some Governors are also involved with the work of the College in areas such as Health and Safety, Safeguarding and Capital Projects.

Attendance at College events such as the Drama productions and the Fashion Show are also popular with Governors. These experiences are shared with the whole Corporation at the next meeting.

Publication of Agendas, Minutes and Papers

Agendas, Minutes and Papers for all Corporation and Committee meetings (except for confidential items) are available for inspection (except for confidential items) from the Clerk. Minutes of Corporation and Committee meetings are posted on the College website once they have been confirmed. The Corporation's Annual Report, including the audited Accounts, is available on the College website.

Access to Meetings

Members of the College community and the public may attend Corporation meetings as observers (non-confidential Agenda items only) provided a request to attend is received by the Clerk in advance of the meeting. Attendance will be at the discretion of the Chair.

In order to protect personal privacy, any person wishing to contact members directly should do so through the Clerk who will forward correspondence to members or relay contact via e-mail or telephone.

All Governors are checked against the Disclosure and Barring system at appointment and make annual Declarations of Eligibility and Interests which are available to the public for inspection during office hours from the Clerk.

The Clerk, Mrs Joan Miles, is located on the ground floor of the Nobel Building.
